

Community Breakfast Fundraiser

Date: Thursday, May 15th
Registration and Networking: 7AM
Program: 8-9:30AM
Location: Viridian Event Center in West Jordan

With the generous support of Utah's philanthropic community, we can all take a stand against domestic violence. South Valley Services' annual breakfast raises funds for shelter and supportive services to assist survivors of domestic abuse and sexual assault on their paths to empowered futures in Salt Lake and Tooele Counties.

Please join us in support of SVS and survivors at our annual breakfast fundraiser on **Thursday, May 15**, at **West Jordan's Viridian Event Center**. You'll meet and engage with like-minded people to uplift survivors and assist with SVS' heartfelt efforts to create a better community for all through lifesaving services.

We are honored to have **Ginette Bott, President & CEO of Utah Food Bank**, as our **keynote speaker**. With over 25 years of service to Utah Food Bank, in addition to overseeing the statewide operations, she's the organization's key media spokesperson and directly oversees public and government relations. Under her leadership, Utah Food Bank has expanded its outreach and continues to play a pivotal role in addressing hunger across the state.

Your support and presence at our breakfast makes our mission possible and sends the message to survivors that their community is behind them during their transition away from violence into brighter and more joyful futures. I hope you'll join us in pursuit of a better tomorrow for all.

Sincerely,

Lindsey Boyer
Executive Director
South Valley Services

Ginette Bott
