South Valley Services Raises Nearly \$80,000 in Donations at Inspiring Breakfast Fundraiser in West Jordan

West Jordan, Utah, May 15, 2025 – South Valley Services (SVS) is proud to announce the success of its 2025 **Community Breakfast Fundraiser**, held on May 15 at the Viridian Event Center in West Jordan. This year's event brought together a powerful community of supporters committed to ending domestic violence and raised **nearly \$80,000** to support services for survivors and their families.

With the theme **"Our Neighbors, Friends, Community: It's Up to Us,"** the morning featured heartfelt stories, inspiring calls to action, and a strong sense of unity and purpose. The event spotlighted the impact SVS has made across Salt Lake and Tooele Counties, including emergency shelter, case management, prevention education, and advocacy for those escaping abuse.

Guests were moved by keynote speaker **Ginette Bott**, CEO of Utah Food Bank and a survivor herself, who shared a powerful personal story of resilience and a message about the importance of community in supporting healing and change. Her words reminded attendees that domestic violence touches every corner of our community—and that the responsibility to stand with survivors belongs to all of us.

"We are so grateful to every person who showed up, donated, and leaned in to support survivors," said **Lindsey Boyer**, Executive Director of South Valley Services. "This event isn't just about raising money—it's about building a future where safety and support are available to everyone. We couldn't do it without our community."

SVS extends heartfelt thanks to all volunteers, attendees, community partners, and sponsors, including our **Platinum Sponsor [Altabank™](#)**, who made this event possible. Every dollar raised goes directly toward supporting life-changing services for survivors of domestic violence.
